## **Riverwind Casino announces \$1,000,000 jackpot**

**NORMAN, OKLA.** – Officials today announced that one lucky [Riverwind Casino](#) patron hit a jackpot Monday, May 3, claiming more than \$1 million in winnings.

The winner, who asked to remain anonymous, won \$1,034,980 while playing Lucky Year®, a Rocket's Gold Series electronic gaming machine. This jackpot is the first jackpot from a wide-area progressive gaming machine at Riverwind Casino this year and the only one since a \$363,000 payout from a Bally Quarter Millions machine in 2009. The term *wide-area progressive* simply means that particular group of electronic gaming machines can be played at different gaming sites and grows until someone hits the jackpot.

In addition to this winning machine, Riverwind Casino also houses other wide-area progressive machines including Wheel of Fortune, World Poker Tour, Star Wars, Indiana Jones, Elvis Multi Strikes and Marilyn Monroe – manufactured by International Game Technology (IGT) – and Wizard of Oz, Time Machine and Reel 'em In – manufactured by Williams Gaming, and Quarter Millions and Millionaire 7's – manufactured by [Bally Technologies](#).

### **About Riverwind Casino**

Riverwind Casino offers more than 2,500 electronic games and 50 blackjack and poker tables spread across its 200,000 square feet, providing plenty of heart-thumping action for gaming enthusiasts. The casino also includes an off-track betting lounge and several upscale dining options. [Riverwind](#) employs more than 1,200 full- and part-time individuals and contributes millions of dollars into the local and state economy. Net revenues from the casino support a myriad of programs and services for the citizens of the Chickasaw Nation including education, health care, nutrition, youth and elder-care programs, scholarships and more.
